

Since 1988, Tri-Area Ministry Food Pantry has provided groceries for those in our community who are struggling. The work that we do is only possible with the support of our local community.

Our Stop Hunger Feed Hope Auction Fundraiser will be held this year on
October 28, 2022 from 6-9PM at The Sutherland in Wake Forest

The evening will feature delicious cuisine catered by The Forks, beer and wine, live entertainment by local band 401 South and exciting silent and live auctions. Join us in supporting the elimination of food insecurity in our community.

Tri-Area Ministry Food Pantry is a non-profit, non-denominational, 100% volunteer food pantry serving Wake Forest, Rolesville, Youngsville and the surrounding area. Each month we feed more than 1,200 families (2,500 individuals), supplying each family with 100 pounds of food.

TAMFP receives no governmental financial assistance. We rely exclusively on community donations and grants. The goal of this year's fundraiser is to raise \$75,000. Funds raised are used to supplement donated non-perishable items with purchased fresh food including meat, milk, eggs, bread, butter, fruits and vegetables and personal hygiene items.

Faced with the current economic situation, we are serving 20% more families today than we were last year. Your support is needed now, more than ever!

On behalf of those in our community whom we help, thank you for your strong support.

"This is my first time. I never thought I would be here - ever. My son is disabled, and my husband couldn't cope - my world collapsed when he left and I wasn't able to buy food for my son. But here you are, and now I have hope."

"My wife and I both lost our jobs a few months ago. We are 64 and no one wants to hire us. I work two jobs that pay minimum wage. I never thought I would be poor. Thank you, thank you, thank you."

"My family now has milk and butter and fruits and vegetables, which we can't afford even with food stamps. I feel blessed that a place like this exists, and there are genuinely caring individuals who take time to do stuff for our community."
